Gauteng President Report

2022 Post Covid was a good year for shows, and SHB's were back in full swing with a few Extra venues being added to the list.

Early in the year KPC held a successful DSA Challenge and later a successful and well attended Gauteng Champs.

Vybrant Dressage Club Held a CDI 2* at the new Summit Ridge Venue, which got a lot of Positive feedback.

Fourways Equestrian Centre was the only SHB in the country to put a bid in for SA Champs, and despite stage 6 Load shedding resulting in a water shortage, managed to run a successful SA Champs with the help of water donations from a few outside parties. Unfortunately, due to some negative feedback, Fourways has decided to withdraw as a dressage venue until further notice.

Gauteng successfully fielded provincial teams in both the Adult and Youth National Championships.

Portfolios – Gauteng hosted their annual awards evening, celebrating the achievements of our Athletes and their equine partners.

Judges training is back in full swing and Gauteng has started with the implementation of their judge at B training programme.

Clubs – Unfortunately we have had one club closing in the west region.....

I would like to thank my Council for vigilantly attending meetings every month and for their valuable input on the smooth running of Gauteng Province.
