Financial Statements for the year ended 31 December 2022

### Councils' Responsibilities and Approval

---

The Council is required by the Companies Act 71, of 2008, to maintain adequate accounting records and are responsible for the content and integrity of the financial statements and related financial information included in this report. It is their responsibility to ensure that the financial statements fairly present the state of affairs of the association as at the end of the financial year and the results of its operations and cash flows for the period then ended, in conformity with the International Financial Reporting Standard for Small and Medium-sized Entities. The external auditor is engaged to express an independent opinion on the annual financial statements.

The financial statements are prepared in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities and are based upon appropriate accounting policies consistently applied and supported by reasonable and prudent judgements and estimates.

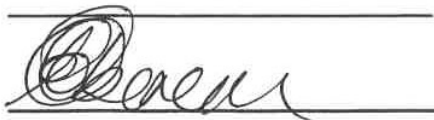

The Council acknowledge that they are ultimately responsible for the system of internal financial control established by the association and place considerable importance on maintaining a strong control environment. To enable the Council to meet these responsibilities, the Council set standards for internal control aimed at reducing the risk of error or loss in a cost effective manner. The standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the association and all employees are required to maintain the highest ethical standards in ensuring the association's business is conducted in a manner that in all reasonable circumstances is above reproach. The focus of risk management in the association is on identifying, assessing, managing and monitoring all known forms of risk across the association. While operating risk cannot be fully eliminated, the association endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

The Council is of the opinion, based on the information and explanations given by management, that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the financial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss.

The Council has reviewed the association's cash flow forecast for the 12 months from the date of this report, in light of this review and the current financial position, they are satisfied that the association has or has access to adequate resources to continue in operational existence for the foreseeable future.

The external auditor is responsible for independently auditing and reporting on the association's financial statements. The financial statements have been examined by the association's external auditors and their report is presented on pages 7 to 8.

The financial statements set out on pages 9 to 25, which have been prepared on the going concern basis, were approved and published by the Council and were signed on its behalf by:

Johannesburg

Date: 18 May, 2023

Financial Statements for the year ended 31 December 2022

## Councils' Report

---

The Council have pleasure in submitting their report on the financial statements of Dressage South Africa for the year ended 31 December 2022.

### 1. Nature of business

Dressage South Africa was incorporated in South Africa on 1 August 2013 and is engaged in the control of the equestrian discipline of dressage in South Africa.

There have been no material changes to the nature of the association's business from the prior year.

### 2. Review of financial results and activities

The financial statements have been prepared in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities and the requirements of the constitution of the association. The accounting policies have been applied consistently compared to the prior year.

Full details of the financial position, results of operations and cash flows of the association are set out in these financial statements.

### 3. Council members interest in contracts

During the financial year, no new contracts were entered into, in which the council or officials of the association had an interest and which significantly affected the business of the association. The IT support contract between S Horne and the association was however extended for the duration of the financial year.

### 4. Property, plant and equipment

There was no change in the nature of the property, plant and equipment of the association or in the policy regarding their use.

### 5. Events after the reporting period

The Council members are not aware of any material events which occurred after the reporting date and up to the date of the report.

### 6. Going concern

The Council believe that the association has adequate financial resources to continue in operation for the foreseeable future and accordingly the financial statements have been prepared on a going concern basis. The Council has satisfied themselves that the association is in a sound financial position and that it has access to sufficient borrowing facilities to meet its foreseeable cash requirements. The Council is not aware of any new material changes that may adversely impact the association. The Council is also not aware of any material non-compliance with statutory or regulatory requirements or of any pending changes to legislation which may affect the association.

The financial statements have been prepared on the basis of accounting policies applicable to a going concern. The basis presumes that the funds will be available to finance future operations and that the realisation of assets and settlement of liabilities, contingent liabilities and commitments will occur in the ordinary course of business.

The Council would in addition want to report that the full General Reserve as stipulated in clause 8.20 of the Constitution of the Association has been fully provided for during this financial year.

### 7. Council

The Council members in office at the date of this report are as follows:

### 8. Litigation statement

The association becomes involved from time to time in various claims and lawsuits incidental to the ordinary course of business. The association is not currently involved in any such claims or lawsuits, which individually or in the aggregate, are expected to have a material adverse effect on the business or its assets.

### 9. Auditors

Nolands Jhb Inc. continued in office as auditors for the association for 2022.

# Dressage South Africa

(Registration number: 133-147 NPO)

Financial Statements for the year ended 31 December 2022

## Councils' Report

---

At the AGM, the Council will be requested to reappoint Nolands Jhb Inc. as the independent external auditors of the association and to confirm DW Fordham CA(SA), RA as the designated lead audit partner for the 2023 financial year.

### 10. Date of authorisation for issue of financial statements

The financial statements have been authorised for issue by the council on the date of this report. No authority was given to anyone to amend the financial statements after the date of being published.

## Independent Auditor's Report

---

### To the Members of Dressage South Africa

#### Opinion

We have audited the financial statements of Dressage South Africa (the association) set out on pages 9 to 25, which comprise the statement of financial position as at 31 December 2022, statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and the notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Dressage South Africa as at 31 December 2022, and its financial performance and cash flows for the year then ended in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities and the requirements of the constitution of association.

#### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the association in accordance with the Independent Regulatory Board for Auditors' Code of Professional Conduct for Registered Auditors (IRBA Code) and other independence requirements applicable to performing audits of financial statements in South Africa. We have fulfilled our other ethical responsibilities in accordance with the IRBA Code and in accordance with other ethical requirements applicable to performing audits in South Africa. The IRBA Code is consistent with the corresponding sections of the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards). We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Other Information

The Council is responsible for the other information. The other information comprises the information included in the document titled "Dressage South Africa financial statements for the year ended 31 December 2022", which includes the Councils' Report as required by the Companies Act 71, of 2008 and the supplementary information as set out on pages 26 to 27. The other information does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of the Council for the Financial Statements

The Council is responsible for the preparation and fair presentation of the financial statements in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities and the requirements of the Companies Act 71, of 2008, and for such internal control as the Council determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Council is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Council either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

CHIEF EXECUTIVE OFFICER: DARRYL FORDHAM CA (SA) DIRECTORS: RYAN SMITH CA (SA), ANTONIO CIANFANELLI CA (SA), ROMY COPE CA (SA), PORTIA NTLATLENG CA (SA), NUSRAT KHAN CA (SA)

See <https://nolands.global/south-africa/disclaimers/>.

## Independent Auditor's Report

---

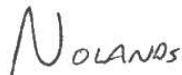

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Council.
- Conclude on the appropriateness of the Council use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Council regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

(Registration number: 133-147 NPO)

Financial Statements for the year ended 31 December 2022

## Accounting Policies

---

### 1. Basis of preparation and summary of significant accounting policies

The financial statements have been prepared on a going concern basis in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities, and the Companies Act 71, of 2008. The financial statements incorporate the accounting principles and policies set out below. They are presented in South African Rands.

These accounting policies are consistent with the previous period.

#### 1.1 Significant judgements and sources of estimation uncertainty

##### Critical judgements in applying accounting policies

In preparing the financial statements, management is required to make judgements, estimates and assumptions that affect the amounts represented in the financial statements and related disclosures. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results in the future could differ from these estimates which may be material to the financial statements.

##### Key sources of estimation uncertainty

##### Useful lives and residual values of property, plant and equipment

The association reviews the estimated useful lives of property, plant and equipment when changing circumstances indicate that they may have changed since the most recent reporting date.

#### 1.2 Property, plant and equipment

Property, plant and equipment are tangible assets which the association holds for its own use or for rental to others and which are expected to be used for more than one period.

Property, plant and equipment is initially measured at cost.

Property, plant and equipment is subsequently stated at cost less accumulated depreciation and any accumulated impairment losses, except for land which is stated at cost less any accumulated impairment losses.

Depreciation of an asset commences when the asset is available for use as intended by management. Depreciation is charged to write off the asset's carrying amount over its estimated useful life to its estimated residual value, using a method that best reflects the pattern in which the asset's economic benefits are consumed by the association.

The useful lives of items of property, plant and equipment have been assessed as follows:

---

Item	Depreciation method	Average useful life
Computer equipment	Straight line	5 years
Furniture and fixtures	Straight line	10 years
Office equipment	Straight line	6 years

---

The residual value, depreciation method and useful life of each asset are reviewed only where there is an indication that there has been a significant change from the previous estimate.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in profit or loss in the period.

# Dressage South Africa

(Registration number: 133-147 NPO)

Financial Statements for the year ended 31 December 2022

## Accounting Policies

---

### 1.3 Financial instruments

#### Initial measurement

Financial instruments are initially measured at the transaction price (including transaction costs except in the initial measurement of financial assets and liabilities that are measured at fair value through profit or loss) unless the arrangement constitutes, in effect, a financing transaction in which case it is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

#### Financial instruments at amortised cost

These include loans, trade receivables and trade payables. Those debt instruments which meet the criteria in section 11.8(b) of the standard, are subsequently measured at amortised cost using the effective interest method. Debt instruments which are classified as current assets or current liabilities are measured at the undiscounted amount of the cash expected to be received or paid, unless the arrangement effectively constitutes a financing transaction.

At each reporting date, the carrying amounts of assets held in this category are reviewed to determine whether there is any objective evidence of impairment. If there is objective evidence, the recoverable amount is estimated and compared with the carrying amount. If the estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

#### Financial instruments at cost

Equity instruments that are not publicly traded and whose fair value cannot otherwise be measured reliably without undue cost or effort are measured at cost less impairment.

### 1.4 Leases

A lease is classified as a finance lease if it transfers substantially all the risks and rewards incidental to ownership to the lessee. All other leases are operating leases.

#### Operating leases - lessee

Operating lease payments are recognised as an expense on a straight-line basis over the lease term unless:

- another systematic basis is representative of the time pattern of the benefit from the leased asset, even if the payments are not on that basis, or
- the payments are structured to increase in line with expected general inflation (based on published indexes or statistics) to compensate for the lessor's expected inflationary cost increases.

Any contingent rents are expensed in the period they are incurred.

### 1.5 Impairment of assets

The association assesses at each reporting date whether there is any indication that property, plant and equipment may be impaired.

If there is any such indication, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If the estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

# Dressage South Africa

(Registration number: 133-147 NPO)

Financial Statements for the year ended 31 December 2022

## Accounting Policies

---

### 1.5 Impairment of assets (continued)

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (or group of assets) in prior years. A reversal of impairment is recognised immediately in profit or loss.

### 1.6 Employee benefits

#### Short-term employee benefits

The cost of short-term employee benefits, (those payable within 12 months after the service is rendered, such as leave pay and sick leave, bonuses, and non-monetary benefits such as medical care), are recognised in the period in which the service is rendered and are not discounted.

### 1.7 Government grants

Grants that do not impose specified future performance conditions are recognised in income when the grant proceeds are receivable.

Grants are measured at the fair value of the asset received or receivable.

### 1.8 Revenue

Revenue is recognised to the extent that the association has transferred the significant risks and rewards of ownership of goods to the buyer, or has rendered services under an agreement provided the amount of revenue can be measured reliably and it is probable that economic benefits associated with the transaction will flow to the association. Revenue is measured at the fair value of the consideration received or receivable, excluding sales taxes and discounts.

Revenue from show levies, levies on prize money and membership fees are recognised in profit or loss when the associations right to receive payment has been established.

(Registration number: 133-147 NPO)

Financial Statements for the year ended 31 December 2022

## Accounting Policies

---

### 1.9 Specific reserves

#### Provincial Reserves

In the 2019 financial year 60% of membership fees and show levies were transferred to the National Reserve and 40% to the Provincial Reserve for each province that can be spent by the various provinces for the advancement of the discipline of dressage. However in 2020, there was a change in the allocation of Provincial funds to financially assist the smaller provinces. A National base cost was calculated and all provinces were given an options of 3 pricing levels for the membership fees. The base cost per member was transferred to the National reserve and therefore the spending of the provinces was dependent on the membership fee level chosen. Due to Covid 19 and the lack of shows and levy income, the council reverted to the 60%/40% split for the 2021 financial year. Included in the province reserves are other income items specifically approved by the Council which the association may collect from time to time on behalf of each province and expenses incurred on behalf of each province. The income is reflected in the statement of comprehensive income and transferred to specific reserves. The related expenditure from each province is recorded directly to each reserve and the surplus/ deficit for the year for all provinces is shown as a separate line item on the Statement of Changes in Reserves.

#### Equestrian Development Scheme (EDS) Levies Reserve

EDS levies are amounts retained for future use. The EDS levies are received from show entries and form part of the FEI Solidarity Program set up to provide the National Sports Federation with the tools to develop equestrian sport in their own country in a sustainable, structured, progressive and professional manner. EDS levies income is reflected in the statement of comprehensive income and transferred to specific reserves. The related expense is recorded directly to the reserve and the surplus/deficit for the year is shown as a separate line item on the Statement of Changes in Reserves.

#### The Adriaan Van Wyk Fund

Adriaan Van Wyk raised money on behalf of Dressage SA, to subsidise the funding of high level dressage events. The surplus after paying expenses was used to create a perpetual fund for the purpose of facilitating and subsidising essential high level FEI Dressage events that are limited due to economic considerations. The funds received and expenses incurred are recognised directly in reserves.

#### Judges Training Reserve

This fund was established from the surplus derived from the hosting of the Dressage SA 2016 Stephen Clarke Seminar. The main purpose of purchasing an airline ticket for the equivalent 2017 seminar. Subsequent and related funds received and expenses incurred are recognised directly in reserves.

#### Riders Fund Reserve

Riders Fund are amounts retained for future use for riders. The funds are received from prize money received by riders at certain status level shows, as well as any income specifically approved by the Council to be designated as such. These funds are utilised in such a fashion as may be determined by the DSA council for the benefit of the discipline and the athletes. Riders Fund income is reflected in the statement of comprehensive income and transferred to specific reserves. The related expense is recorded directly to reserves and the surplus/deficit for the year is shown as a separate line item on the Statement of Changes in Reserves.

All transactions in foreign currencies are initially recorded in Rand, using the spot rate at the date of the transaction. Foreign currency monetary items at the reporting date are translated using the closing rate. All exchange differences arising on settlement or translation are recognised in profit or loss.

## Accounting Policies

---

### 1.10 Finance income and finance costs

Finance income comprises interest income on funds invested, that is recognised in profit or loss. Interest income is recognised as it accrues, using the effective interest rate method.

Finance expenses comprise interest expense on borrowings, that is recognised in profit or loss. All borrowing costs are recognised in profit or loss in the period they are incurred, using the effective interest rate method.

## Notes to the Financial Statements

	2022 R	2021 R
<b>11. Operating (deficit)/surplus (continued)</b>		
Loss on disposal of property, plant and equipment	-	2 315
Depreciation on property, plant and equipment	11 078	6 785
Employee costs	667 111	662 575
<b>12. Finance income</b>		
Interest revenue		
Bank	115 738	75 834
<b>13. Taxation</b>		
The association is a public benefit organisation in terms of Section 30 of the Income Tax Act and the receipts and accruals are exempt from tax in terms of Section 10 (1)(cN) of the Income Tax Act.		
<b>14. Bad debts</b>		
The association has addressed an average debtors exposure and have raised a provision for bad debts which is a realistic yet conservative figure for the year.		
<b>15. Cash generated from/(used in) operations</b>		
Surplus before taxation	68 076	81 908
<b>Adjustments for:</b>		
Depreciation	11 078	6 785
Loss on disposal of property, plant and equipment	-	2 315
Finance income	(115 738)	(75 834)
Finance costs	5 385	-
<b>Changes in working capital:</b>		
Trade and other receivables	31 457	(3 084)
Trade and other payables	109 188	(31 829)
	<b>109 446</b>	<b>(19 739)</b>
<b>16. Commitments</b>		
<b>Operating leases - as lessee (expense)</b>		
<b>Minimum lease payments due</b>		
- within one year	114 713	84 000
- in second to fifth year inclusive	112 338	-
	<b>227 051</b>	<b>84 000</b>

Operating lease payments represent rentals payable by the association for certain of its office properties. Leases are negotiated for an average of one year. No contingent rent is payable.

No emoluments were paid to the council members or any individuals holding a prescribed office during the year.

# Dressage South Africa

(Registration number: 133-147 NPO)

Financial Statements for the year ended 31 December 2022

## Notes to the Financial Statements

---

### 19. Going concern

The Council believe that the association has adequate financial resources to continue in operation for the foreseeable future and accordingly the financial statements have been prepared on a going concern basis. The Council has satisfied themselves that the association is in a sound financial position and that it has access to sufficient borrowing facilities to meet its foreseeable cash requirements. The Council is not aware of any new material changes that may adversely impact the association. The Council is also not aware of any material non-compliance with statutory or regulatory requirements or of any pending changes to legislation which may affect the association.

The financial statements have been prepared on the basis of accounting policies applicable to a going concern. The basis presumes that the funds will be available to finance future operations and that the realisation of assets and settlement of liabilities, contingent liabilities and commitments will occur in the ordinary course of business.

The Council would in addition want to report that the full General Reserve as stipulated in clause 8.20 of the Constitution of the Association has been fully provided for during this financial year.

### 20. Events after the reporting period

The Council members are not aware of any material events which occurred after the reporting date and up to the date of the report.
