10 grams a day (lasts 25 days)  
Each serving provides 9 grams of collagen

**Glo Pure Collagen granules contains no fillers, flavours or preservatives**

**Hypo-Allergenic, Dairy free, Sugar Free, Fat Free, Gluten Free & Halaal Certified**

Collagen is the most abundant protein in humans body. It is the principle building block in skin, muscles, bones, tendon, ligaments and connective tissue. It is also found in organs, blood vessels and intestinal lining.

When consumed these peptides trigger increased collagen production which results in many health benefits for you and can also assist in recovery from injuries or arthritis.

Type I and III are used in this supplement, which is imported from Brazil, the source being pasture fed bovine collagen.
