What's the KPC League?

The KPC League has been created to build KPC Club spirit: for us all to celebrate our world class facilities; compete in graded classes and enjoy the festivities as the KPC family.
KPC merchandise will be on sale, and members may ride in their KPC shirts.

How does it work?

The rider with the most points will be crowned the 2026 KPC Champion of EACH GRADE/SECTION at the KPC Gala Awards Dinner to be held at the end of the year.
There are wonderful trophies prizes for all the winners including KPC memberships and great cash prizes!
Non-members can join KPC before or at the show to be eligible to earn points.

How does the individual scoring work?

Points are awarded for placings in all classes.
1st place receives 100 points and subsequent placings receive points as per the table below. All riders from 16th place onwards receive 30 points.
No points will be awarded to those who are eliminated or retire.

1st	2nd	3rd	4th	5th	6th	7th	8th	9th	10th	11th	12th	13th	14th	15th	16th onwards
100	95	90	85	80	78	76	74	72	70	68	66	64	62	60	30

Where a discipline has two classes per grade, points will be awarded to each class. e.g., Both the A2 Competition as well as the Competition in 2 Phases will receive points as will both classes in the Dressage. The KPC Champion in each grade will be the rider who accumulates the most points over the three legs. Should a rider ride more than one horse in a class, only the highest score will be allocated to that rider. The scores of this final leg of the League will be weighted and will count 1.5 x the points.
A rider only accumulates points in the grade in which they have ridden, so a rider who rides up the grades in different legs will not be able to accumulate points in one grade.

How does the Team Event work?

The Team Events will take place on the Sunday of the KPC League show. The portion of the show is separate to the individual competition with individual KPC League classes running as normal throughout the weekend.
All disciplines are invited to have a Team Event (i.e. Dressage, Equitation, Showing and Showjumping), but a minimum number of teams is required for the competition to be held. Equally, the number of teams is capped at a maximum to ensure the individual classes can all take place.
Some of the Team Event may not be graded as per individual discipline regulations.
Pony Riders, Children, Juniors and Adults can all take part in the same team.
Teams pay R1000 excl. VAT to buy into the Team Event. For this buy in they:

1) Are guaranteed space in the Team Event for their chosen discipline for the three shows.
2) Are permitted to wear their Team shirts for the Team Event.
3) Will feature on our KPC social media pages, as well as on the HQ Magazine social media pages.

Dressage teams must have a minimum of four and a maximum of eight members. There must be one Prelim rider, one Novice rider, one Elementary rider and one rider at Medium level and above. Riders may be from any age group except PR and Children's Prelim which is ridden in a different sized arena. Teams may enter up to two riders per level, but only the highest score will contribute to the team's final ranking points. Each rider will ride one test at their level.
Showjumping teams must have a minimum of four and a maximum of eight members. There must be one 70cm rider, one 80cm rider, one 90cm rider and one 1m rider. Teams may enter up to two riders per level but only the best score will contribute to the team's ranking points.
Showing teams should have five members. Each team should field one Show Hack or Pony, one Show Hunter or Pony, one Show Riding Horse or Pony, one Working Riding Horse or Pony and one Working Hunter or Pony. The lowest scoring combination will be the dropped score for that Team
Equitation teams should have four riders. They must have one Welcome level combination, one Novice level combination, one Intermediate level combination and one Open combination.
The lowest scoring combination will be the dropped score for that Team.
