

EASTERN CAPE PROVINCIAL DRESSAGE ASSOCIATION

Presidents Report 2026

We are excited to have started the year off with great enthusiasm from our clubs in Port Elizabeth, Grahamstown and East London. Both Grahamstown and Port Elizabeth have had new Dressage Reps voted in and I look forward to working with them. All three clubs have been trying their best to not only host as many shows, but also encourage lower level riders and new riders to join in when there are training days. The facilities at each respective club have been beautifully maintained and improved upon on a regular basis. I am extremely proud of our little province for having achieved this.

Dressage as a whole has seen a few more young riders competing in the children and junior classes. Its wonderful to see a growth in our youth who enjoy and take pride in this discipline.

We are sad to not have hosted a DSA leg this year – but financially we are aware of the numbers that are required to host these events and we hope to be able to host this event for our province at one of our clubs next year.
I hope to have more to report as the year comes to a close
